Adventurous KAYAK TRIPS on the Atlantic Ocean from Lagos

“Challenge the waves and pass by the rocks”

Be amazed by the natural beauty of the caves and cliffs of Ponta da Piedade of Lagos.

From the beach of Praia da Batata in Lagos we depart in stable BIC Ocean Sportkayaks to explore the golden coast of Lagos. In the beginning you kayak along the golden beaches, up to the first rock formations.

On the way to the most southern point of Lagos you will see many birds such as cormorants, seagulls and storks. Be seduced by the crystal clear water of the Atlantic Ocean. We anchor on secluded white beaches, only to be reached by sea to take a refreshing dive into the ocean and snorkel amongst the fish. On the way back to Lagos we head onto open sea to catch a few waves!

Our kayaking trips are suitable for beginners but will also satisfy experienced paddlers. Our multi-lingual guides are experienced kayakers who have a keen interest in the natural and cultural significance of this region. They are dedicated to provide personal attention, assuring you a safe and rewarding adventure. Every guide is multi-lingual and is up-to-date with the local weather, wave and wind conditions of Ponta da Piedade.

All you need to bring on this 3 hour trip is your swimsuit, sun cream and dry clothes. On every kayak is a 25 liter waterproof bag available.

Fitness level required nº 3, difficulty C.
